Melissa:

I believe that the agency photographer is unnecessary at this time but bring it up on the 3:00 PM call and we can discuss.

Dennis wasn't sure what reply we should send to the regional photographer?

Hello Dennis and Melissa,

I'm the agency photographer wondering if there is anything to photograph in Charleston. I'd like to come down if I wouldn't be too in the way. Can you give me an info on the spill status and our response? Kelly Krock in the Wheeling office gave me your contact info.

Many thanks for you time, you probably are pretty busy right now.

Kind regards,

E
